Adult diary instructions

Please read the instructions below to help you fill in your diary. There is also an example of a filled in diary on the next page to help you.

When should I fill in the diary?
- The front of the diary tells you which two days we would like you to complete the diary for.
- The diary starts at 4am and covers 24 hours, with three hours on each page.
- Please take the diary with you during the day and fill it in every now and then when you have a spare moment. For example on the bus or train, at lunchtime or while you wait for someone.

Completing the diary

What were you doing?
- In this column, record what you consider to be your main activity for each 10 minute period.
- If you were doing more than one activity at the same time, only record the main activity in this column.
- If you did one thing after another during the 10 minutes, record the activity that took the most time.
- If you were doing something you feel is too private to record, please write “personal”.

Work
- You don’t need to record exactly what you were doing during work time.
- If you have more than one job, please record which one you were working at.
- Please record what you did during breaks. For example, “Lunch break, had lunch” or “Lunch break, went for a walk”.
- Include any work you’ve taken home and completed at home.

School / college
- Please record whether you study at home or attend classes / lectures.
- Include the type of study, such as secondary school, university etc.
- If the studies are part of paid work, please note this in the diary.

Housework and childcare
- Please record what you were really doing. For example, “Cooked supper”, “Washed the dishes”, “Put my child to bed”, “Mowed the lawn”, “Cleaned the house”, “Washed the car”.

Sleeping
- Please record any occasions during the night when you weren’t sleeping. For example, if you have woken up and are doing nothing, reading or caring for children etc.

Reading
- If you were reading, please record what you read. For example, “Read a newspaper”, “Read a magazine”, “Read a book”.
- If you were reading on a tablet or e-reader such as a Kindle, please remember to fill in the “Did you use a smartphone, tablet or computer?” column.

Help to other households
- If you were helping someone who lives outside of your household, either totally or in part, please report this in the diary.
- For example, if you helped a friend repair their house, record this as “Helped friend repairing house”.
- If you bought a neighbour some food while you did your own shopping, please record this too.

If you did something else at the same time, what else did you do?
- You should use this column to record any activities that you were doing at the same time as your main activity. These are called secondary activities.
- For example, if you were looking after your child (main activity) and watching television at the same time, then you would record “watching television” in this column.
- It is up to you which activity you think is the main activity and which is the secondary activity.
- Don’t forget to record secondary activities during lunch or coffee breaks during work or while travelling.

Did you use a smartphone, tablet or computer?
- Please record in this column whether you were using a smartphone, tablet or computer while you were doing either the main or secondary activity and how long you were using it for. For example, if you were travelling to town on the bus and were checking emails on your smartphone then record how long you were using it for:
- Draw a line or arrow to indicate how long you spent using your smartphone, tablet or computer.

Where were you?
- This column is to record where you were during the activity and if you were travelling, what your mode of transport was. For example, “at home”, “at work”, “by car”.

Were you alone or with somebody you know?
- Please indicate whether you were alone or together with somebody you know.
- To be together does not necessarily mean that you actually do things together but rather that somebody else was around.
- Draw a line or arrow to show how long you were alone or with somebody you know. This may change during an activity. For example, somebody might leave or arrive.
- If you were with a child aged 7 years or younger who lives with you, record this in the column ‘Children aged 0-7’. If you were with a child aged older than 7 years who lives with you then record this in the ‘Others person’ column.
- If you were with a relative that doesn’t live with you, record this in the ‘Others you know’ column.

How much did you enjoy this time?
- Please write in how much you enjoyed the time on a scale of 1 to 7, with 1 meaning you didn’t enjoy it at all and 7 meaning that you enjoyed it very much.
- Your level of enjoyment may change during an activity. If so, please record the new level of enjoyment too.

Checklist
- When you have finished filling in your diary, please answer the checklist questions at the end of the diary day. There are separate questions for Day 1 and Day 2.
- There is also a checklist to remind you of the key things to remember to record.

Weekly schedule of paid work time
- At the end of the diary is a weekly schedule of paid time. You need to complete this if you do any paid work, are self-employed or provide support for a family business.
- You need to record this over 7 days starting on your first diary day.

If you have any questions about how to complete the diary, please phone your interviewer.
Example

- Record your main activity for each 10-minute period
- Only one main activity on each line!
- Distinguish between first and second job, if any.
- Distinguish between travel and the activity that is the reason for travelling.
- Don’t forget the mode of transport or location and whether you were using a smartphone, tablet or computer.
- Please remember to record who you were with.
